2020 Joseph P. Cribbins Training, Equipping and Sustainment Symposium

The 2020 Joseph P. Cribbins Training, Equipping and Sustainment Symposium is a two and a half day, **in-person event** that supports the entire Army Aviation Enterprise. The Symposium attracts aviation trainers, operators, logisticians, project managers, capability managers, research & development and key decision makers.

Briefings from the Army Aviation Branch Chief and other Army Aviation **“6-Pack Plus”** key leaders will be taking place. Also, there will be opportunities for one-on-one briefings with PEO Aviation project managers, Army Futures Command Capability Managers (ACMs), OEMs and other industry leaders in separate, individual meeting rooms on site.

Network safely, listen to **informative speakers**, view **exhibitor displays** and catch up with old **friends**, all while supporting the U.S. Army Aviation Soldier and Family!
