

Why Exhibit and Sponsor at the 2023 AAN Fall Conference?

The 2023 AAN Fall Conference will occur October 27-29 in Las Vegas, NV, and online. We anticipate strong in-person attendance. This is your opportunity to build brand awareness and make contacts with over 600 professional attendees representing your target audience. Most Fall Conference attendees do not attend the AAN Annual Meeting and this conference is a unique opportunity for your organization to more intimately engage with AAN members due to the smaller size.

In addition to the Fall Conference, the Advanced Practice Provider Pre-conference will take place on Thursday, October 26, 8:00 a.m.–5:30 p.m.

At the 2023 AAN Fall Conference, you will:

- Connect with leaders in the field of neurology and build relationships
- Showcase your product and therapy solutions to your target audience
- Support the field of neurology and future neurologic advances
- Drive brand and product awareness to increase company revenue

“What excites me about this year’s Fall Conference is the speakers we have lined up. They’re going to cover the latest in science; provide neurology updates as well as discuss practice management issues for neurologists. You really get all of your neurology educational needs within a three-day, action packed weekend. And a lot of fun interaction with colleagues as well as internationally renowned speakers”

Jonathan Graff-Radford, MD
Chair, Regional Conference Subcommittee

2023 Meeting-at-a-glance

The 2023 AAN Fall Conference will deliver innovative programming to members with updates on relevant neurologic topics, as well as practice management and science sessions. The 2023 AAN Fall Conference will be held in Las Vegas, and offers a convenient live online option. It's a perfect opportunity to come together with your colleagues to receive timely updates on the hottest topics in the world of neurology, hear about real-world issues in practice management, and experience the best of innovative science from the 2023 AAN Annual Meeting. This is the great content attendees love about the Annual Meeting, in a smaller, more digestible format and with opportunities to earn valuable end-of-year CME.

The AAN Fall Conference Exhibit Hall is an efficient way for members to learn about organizations that have cutting-edge research and products to further neurologic care and bring hope to patients and caregivers in the neurology space.
