Why Exhibit and Sponsor at the 2025 AAN Fall Conference?

The 2025 AAN Fall Conference will occur November 7–9, in Las Vegas, NV, and online. We anticipate strong in-person attendance. This is your opportunity to build brand awareness and make contacts with over 700 professional attendees representing your target audience. Most Fall Conference attendees do not attend the AAN Annual Meeting and this conference is a unique opportunity for your organization to more intimately engage with AAN members due to the smaller size.

In addition to the Fall Conference, **the Advanced Practice Provider Conference will take place on Thursday, November 6, 8:00 a.m.–5:00 p.m.**

At the 2025 AAN Fall Conference, you will:

- Connect with leaders in the field of neurology and build relationships
- Showcase your product and therapy solutions to your target audience
- Support the field of neurology and future neurological advances
- Drive brand and product awareness to increase company revenue

"This was my first AAN Fall Conference. I enjoyed the more compact aspects of this shorter conference. It hit the highlights well in multiple subspecialties. I did not feel overwhelmed with too many choices of lectures to attend."

– Past Fall Conference Attendee

2025 Meeting-at-a-glance

The 2025 AAN Fall Conference will deliver innovative programming to members with updates on relevant neurologic topics, as well as practice management and science sessions. The 2025 AAN Fall Conference will be held in Las Vegas, and offers a convenient live online option. It's a perfect opportunity to come together with your colleagues to receive timely updates on the hottest topics in the world of neurology, hear about real-world issues in practice management, and experience the best of innovative science from the 2025 AAN Annual Meeting. This is the great content attendees love about the Annual Meeting, in a smaller, more digestible format and with opportunities to earn valuable end-of-year CME.

The AAN Fall Conference Exhibit Hall is an efficient way for members to learn about organizations that have cutting-edge research and products to further neurological care and bring hope to patients and caregivers in the neurology space.

Rules and Guidelines

I. General Rules

The American Academy of Neurology ("AAN") recognizes outside organizations' important role in the success of its Fall Conference and the need to work together to ensure a well-coordinated and productive meeting for all attendees. In this spirit, the below General Rules establish the parameters that outside organizations involved in the Fall Conference must comply with. These Fall Conference Rules apply to: 1) "commercial interests" (aka, "industry"), which include any entity developing, producing, marketing, reselling, or distributing health care goods or services, including drugs, devices, services or therapies, consumed by, or used on, patients to diagnose, treat, monitor, manage, and alleviate health conditions; 2) non-profit organizations; 3) and any other companies or organizations participating in the AAN Fall Conference in any capacity (collectively referred to as "Companies").

In addition to complying with these Fall Conference Rules, Companies must comply with the applicable terms and conditions (listed below) for their specific interactions at the AAN Fall Conference. If Companies are unclear about these Rules or the specific terms and conditions, it is their responsibility to seek clarification from the AAN prior to any interaction related to the Fall Conference.

The AAN reserves the right to decline any Company's participation in the AAN Fall Conference for any reason without explanation.

As a condition of participation, every industry representative agrees to observe all AAN policies and guidelines. Violation of AAN policies and guidelines will be reviewed, and sanctions may be applied.

- A. **Conduct:** Representatives of Companies must conduct themselves professionally and treat all AAN Fall Conference attendees equally and with respect, including, but not limited to, compliance with the AAN's [Meetings Anti-harassment Policy](#).
- B. **Prohibited Influence:** Industry may not attempt to direct or influence the faculty or content of American Academy of Neurology Institute (AANI) Fall Conference programs or products.

- E. **Compliance:** Companies must comply with all applicable federal and local laws and regulations, including Food and Drug Administration regulations. Companies must abide by all applicable terms and conditions for their interactions at the Fall Conference including, but not limited to, compliance with the AAN's [Meetings Anti-harassment Policy](#) and Implementing the [AAN Conflict of Interest Policy for CME Programming](#). Companies should be aware of the guidelines and codes the AAN and affiliated organizations conform to: Council of Specialty Medical Societies' Code for Interactions with Companies ([cmss.org](#)) and the Principles Governing Academy Relationships with External Sources of Support ([AAN.com](#)). AAN has the right to request that Companies immediately discontinue an activity or cease distribution of materials deemed inappropriate or noncompliant by the AAN.
