World Pork Open Golf Tournament

Legacy Golf Course, Norwalk, IA

Tuesday, June 2nd, 2026

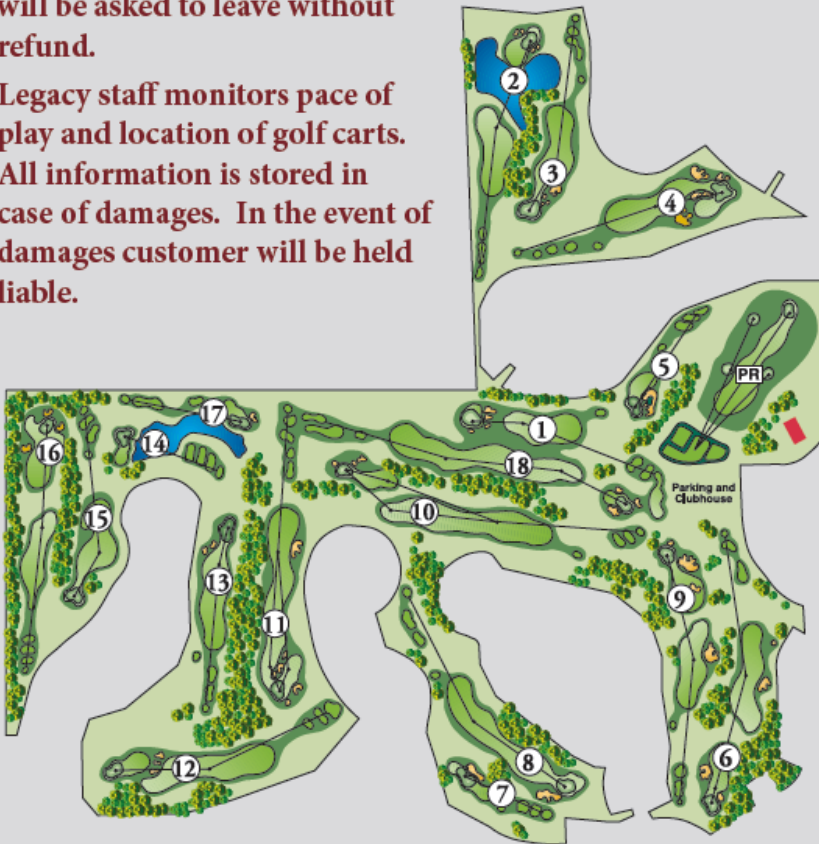

The World Pork Open Golf Tournament is a fun, relaxing afternoon spent with key producers, corporations, employees and customers. All interested parties are invited to participate! 120 spots are available. **9:00am tee time.**

The Manning Family Welcomes You To The Legacy Golf Club.

• USGA RULES WILL GOVERN ALL PLAY

- Pace of play is set at 4 hours 15 minutes or less for 18 holes.
- Outside alcoholic beverages are not allowed on the course or premises. All beverages will be confiscated and entire party will be asked to leave without refund.
- Legacy staff monitors pace of play and location of golf carts. All information is stored in case of damages. In the event of damages customer will be held liable.

The par-35 front nine features many bunkers and several water hazards that come into play on five of the holes. There are six par fours on the front nine that give you a variety of required shots. Greens are strategically sized to accept the approach for the particular hole. The second hole, a par four, is a beautiful downhill driving hole with a spectacular approach over a five-acre lake. The par 3 fifth hole and the seventh hole will put a premium on obtaining the correct distance with your tee shot. The par five sixth will tempt many to go for the green in two.

The par-37 back nine will be a stern test with water hazards contributing on all nine holes. The inward nine begins with two risk-reward par fives. The par fours on the back nine require pinpoint tee shots through the hilliest part of the course. Big hitters may take a chance at driving the par four thirteenth for a chance at an eagle putt. However, a greenside bunker and a hazard to the right will catch errant shots. Tee shots off the par three holes fourteen and seventeen may cause hesitation in club selection with possible swirling winds over a large lake. The par five eighteenth will be a 611-yard monster from the back tee, culminating with a large amphitheater style green.
