

EXCLUSIVE 2019 GENERAL ASSEMBLY SUPPLIERS

Unauthorized third-party vendors who are not contracted with Y-USA for the General Assembly event may contact you about purchasing hotel rooms or exhibition services. Be aware that these companies are attempting a deceptive practice known as “poaching” or “pirating.” To help prevent unauthorized vendors from misrepresenting your business or providing you with false information, Y-USA is providing this list of exclusive General Assembly suppliers.

NOTE: All official email for the General Assembly exhibition will come from exhibits@ymca.net and will be sent to the contact person identified for your company at time of booth purchase.

Y-USA CONTRACTED SUPPLIERS

Decorator and Rigging Services:

Shepard Exposition Services – Order forms for decorator services will be included in your exhibitor kit, which will be distributed by Shepard Exposition Services on or before **February 15, 2019**.

Lead Retrieval:

Cvent LeadCapture – Included in booth price. More details will be provided in the exhibitor kit.

Internet:

Smart City Networks, exclusive supplier of the Anaheim Convention Center

Electrical Services:

Elan Electrical Exhibition Services, Placentia, California

Hotels:

Pre-negotiated room rates at convention center hotels are secured as the official conference room block. A secure link to the

hotel reservation system will be sent to confirmed exhibitors in December 2018 or upon booth purchase confirmation thereafter.

Neither Y-USA, nor the hotels within the official room block, will solicit room reservations by phone or email. Please be aware that accepting any offer from hotel properties claiming to be part of the conference room block puts your hotel accommodations at risk with no guarantee of reservation.

To ensure your hotel reservation is legitimate, book your hotel ONLY by using the link sent to you by Y-USA.

Please do business only with the companies listed on this page to ensure quality, accuracy, and delivery of services promised.
