ToxHunt

2024 Scavenger Hunt

Have a Little Fun – Bring Attention to Your Booth – Generate Leads

Join other exhibitors who have already signed up to participate in the hunt for Dr. Fox.

Game Objective: The ACT ToxHunt takes place on the Exhibit Floor using the **ACT Mobile App (not the phone's camera)**. Attendees scan a QR code located in your booth where you have opportunities to speak with them, engage, collect contact information, and learn their needs and wants. As participants correctly answer these multiple-choice question, they rise up the leaderboard – earning points. Attendees who have completed all questions correctly are entered into a Grand Prize Drawing. Two lucky winners will be selected.

1st Prize: \$250 Gift Card

2nd Prize: \$100 Gift Card
