The items listed above require a 120 volt/110 receptacle, provided by the customer, at the area where the unit will be plugged in. We will deliver the unit to your area and set it up. We are located on the Iowa State Fairgrounds during the WPX, and will be available to you if any problems should arise with the unit. We will pick up the unit after WPX is over. There is a limited number of these units available for rental so they are on a first come first serve basis.

The cost of the unit is \$275.00 for the duration for the World Pork Expo. There is also a 19% service charge and 7% state sales tax not included in the price.

We accept cash, check or credit card for payment, but there is a 3% charge to the total bill for all credit card transactions.
